# Lab 2: Using AWS Systems Manager

TWO SCREENSHOTS REQUIRED

1. After successfully completing **step 11**, take a screenshot of your console and paste it below. You should have on screen the output showing your node overview. **Make sure the INVENTORY tab is clicked and versions of components show**. If any of this is incorrect, please revisit the instructions.

2. After successfully completing **step 25**, take a screenshot of your browser showing the Widget Manufacturing Dashboard. If any of this is incorrect, please revisit the instructions.
